Workshop Final Report

Date:
Location:
Type of Workshop:
Facilitators:

Provide a General Overview of the workshop (a paragraph or two are fine but no more than one page). Do not include the workshop agenda; send a copy of the agenda with this report to the POGIL office.

Considering the Participant SII forms, provide an Executive Summary of:

Participant Strengths

Participant Areas for Improvement

Participant Insights

Considering the Facilitator's perspective of all aspects of the workshop provide:

Strengths of Workshop (and why this was a strength)

Areas for Improvement (and why improvement is needed)

Insights about workshop

Considering the printed materials that were included in the BLUE BOOKLET provided for the participants:
Is there anything you feel needs to be added to this publication?

Were there any items you feel do not need to be included in the blue booklet?

Do you have any suggestions that would make the blue booklet more useful for the participants?

Considering the RED FOLDER participants used to simulate a POGIL classroom:

Is there anything you feel needs to be added to the red classroom folder?

Do you think there are any items that do not need to be included in the red classroom folder?

Do you have any suggestions that would make the red classroom folder more useful for the participants?

Considering the PLANNING BINDER provided for facilitators at the 3 day workshops:

Is there anything you feel needs to be added to the planning binder?

Do you think there are any items that do not need to be included in the planning binder?

Do you have any suggestions that would make the planning binder more useful?

Please provide any recommendations you have for improving the structure and facilitation of future POGIL workshops.

Please provide any recommendations you have for the POGIL project in general.
When your email this report, please send electronic copies of any presentations, worksheets, or documents used in the workshop that did not come from the POGIL office. Thanks for your cooperation!
